

**Help us make this home a home!** When our neighbors move into Community First! Village, we make sure their new home is stocked with essential items and decorated with their taste in mind! The essentials we furnish our neighbors' homes with are always high-quality, and new or just as good as new. We hope you give our neighbors the same consideration, and show them how much they are valued by providing a high quality product. We call it 'giving your best first!'
